

Your are about to give a friend or family member a very special gift. By their own request we have created Bilbo Bucks, a new type of "gift card". You add funds to their account, they apply the funds to any of our upcoming ALEP events of their choice.

Simply fill out the form below and send with payment.
This can also be done on our web site: <http://www.alep-ky.us/bilbobucks.html>

You can be anonymous to the Recipient or allow us to tell them this gift came from you. But please tell us your name and email just in case there happen to be any issues or questions.

You may send funds to the recipient's account via a personal check made out to ALEP.

Send to: ALEP
221 South Main St.
Harrodsburg, KY 40330

Once the funds have been received, the recipient will receive an email with a gift certificate attached. Then they can apply their 'bucks' to the events of their choosing.
